

# Milky Way Picnic/Party Foods

*Let Us Craft Your Next Party Menu!*

*Sit back and enjoy your next BBQ, picnic, or party by calling us to provide the delicious menu. Featuring our own farm-raised meats and housemade sides.*

*72 hours advance notice is appreciated. Limited availability for shorter order times.*

## **Step 1: "Main Course Means Business"**

### **Grass fed Hamburger Patties**

You'll never go back to fast food after trying our delicious grass fed beef burgers. These patties pride themselves on being lean, not-mean, and full of healthy Omega-3s. Great for the grill!

*Sold as Frozen ¼ lb Hamburger Patties*

40/\$54.99

8/\$11.98

4/\$5.99

### **No-Nitrate Hot Dogs**

These one-of-a-kind hot dogs will be the hit of the party! They have no nitrates, include organic spices, and are a beef/pork blend. These gourmet hot dogs are extra long.

*Sold Frozen*

16/\$20.00 (includes hot dog rolls)

### **Our Famous Sloppy Jo**

We have been making the same recipe for our Sloppy Jo for over 50 years. Trust us when we say that your party guests will enjoy this classic sandwich, using simple and clean ingredients.

*Sold by the Quart, Ready to Reheat*

Serves 8

\$18.00 (includes hamburger rolls)

### **Pulled Pork BBQ**

Most pre-packaged pulled pork bbq will come with a foot-long list of preservatives and chemicals. Ours does the opposite. We start with our own pastured pork, and simmer it all day long with a delicious sauce. You and your guests are guaranteed to notice the farm-crafted difference.

*Includes 2 Dozen Slider Rolls. Ready to Reheat.*

Serves 12.

\$38.00

## **Pulled Beef BBQ**

See above. This grass fed, slow cooked beef is ready to be the star of your next party. We have been producing grass fed beef for decades, and are proud to produce a delicious and healthy product.

*Includes 2 Dozen Slider rolls. Ready to Reheat and Serve.*

Serves 12.

\$38.00

## **Step 2: "Sides to Make the Meal"**

At Milky Way Farms, we have a longstanding tradition of producing flavorful and delicious house-crafted deli salads. You can now take them home to furnish the menu at your next event. Let us do the cooking, and you do the partying!

*3 pound minimum to order*

*One pound serves 4 (4 oz) servings*

## **Classic Deli Potato Salad**

We have used the same recipe for over 50 years, and our customer base agrees that this potato salad is the best! This creamy potato salad is a dish that party goers will be sure to enjoy.

\$3.75/lb

## **Macaroni Salad**

Similar to our potato salad, our macaroni salad follows a tried-and-true recipe that has delighted folks for decades.

\$4.29/lb

## **Pasta Salad**

A classic take on an Italian-style pasta salad, this dish is a colorful and flavor-packed addition to any party menu.

\$5.19/lb

## **Sweet Vinegar Slaw**

If you have ever enjoyed a "Church"-style coleslaw, you won't want to miss this Sweet Vinegar Slaw. With a sweet vinegar dressing, this cabbage salad is a light and refreshing side for your picnic.

\$3.99/lb

## **Creamy Coleslaw**

This classic creamy coleslaw has a touch of sweetness, creating a delicious traditional side dish that will complete your next party menu.

\$3.99/lb

## **Broccoli Salad**

Over the last several years, the introduction of our broccoli salad has been extremely well received. Featuring a light sauce, crisp broccoli florets, and our own no-nitrate bacon, this is the salad to wow your crowd.

\$6.29/lb

## **Step 3: "Save Room for Dessert"**

### **Peanut Butter Pie**

This classic, creamy peanut butter pie will be the stand out dessert at your next event. Why? It features our own whipped heavy cream. This decadent and rich dessert is prettiest topped with whipped cream, if there is time before your guests consume it all.

Serves 10.

\$14.99

### **About the Farm**

*Milky Way Farms raises grass fed, grass finished beef and milk fed, pastured pigs on their 4th generation family dairy farm located in Troy, PA. The livestock are given ample outdoor access on our lush farm pastures with non-GMO dry hay fed during the winter season. We believe healthy children greatly benefit from sustainably raised and pesticide-free growing methods, and that continues to be driving force for our family farm business.*
